3rd - 5th February 2023

KLE Centenary
Convention Centre,
Belagavi

My Dear Colleagues and Friends,

I am honored and privileged for this opportunity to address you all on behalf of Karnataka Orthopaedic Association and KOACON-2023.

We are passing through a new and unprecedented experience of a pandemic that shook the world but the resolve our society has shown to fight and overcome these adversities have been extraordinary.

As the saying goes "Tough times never last but tough people do"; hopefully and God willing we are through the rough times.

Even in these difficult times KOA has continuously made innumerable contributions towards academics ,research and training of Orthopaedic Surgeons and Post Graduate Residents across Karnataka in the form of Webinars and Virtual meets.

I like to thank the previous Presidents and office bearers for making this happen with their innovative ideas during this period.

My theme for this year will be: "Mobile life is healthy life".

Mobility plays a massive role in the quality of life of an individual. We will focus mainly on maintaining mobility and preventing disability which would enable people to enjoy a pain-free life.

We will also assure equal opportunities in academics and surgical training across the whole state by breaking all the barriers and differences.

Hopefully we will be able to reach every place in the state with the guidance of seniors and leaders in our field and propagate the current standards of orthopaedics in the form of CME , Lectures and Webinars.

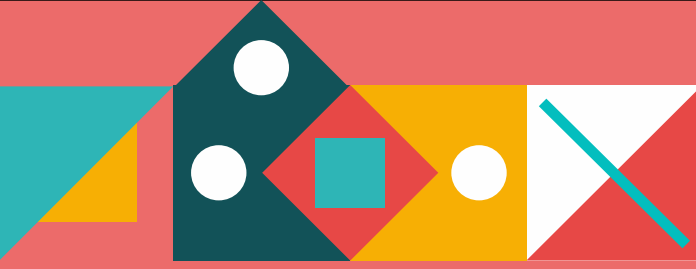

KOACON 2023, in Belagavi will be an opportunity , where all of us can come together even in these ever changing situations and difficult time to share our thoughts ,ideas and research among our colleagues and friends.

We know that organizers of KOACON 2023 are doing a tremendous job in trying to organize this mega event and we all should take this opportunity to make this academic feast a huge success and cherish this opportunity to meet our friends, seniors and students.

I assure that this will be a memorable and lasting experience to remember and hoping to see each and every one of you in person.

Thanking you,

Dr. Aswani Kumar Singh J.
President
KOA (2022-2023)

Message from KOA Secretariat

Respected Seniors and Dear Friends,

It gives me great pleasure to welcome you all to the 47th Annual Conference of Karnataka Orthopaedic Association “KOACON 2023” from the 3rd to 5th of February 2023 at Belagavi. The conference is conducted in association with Jawaharlal Nehru Medical College, Belagavi; Belgaum Orthopaedic Surgeons Society and Belagavi Institute of Medical Sciences, Belagavi. Belagavi is popularly known as the Kunda Nagari, not only for the sweet dish but also the nature of the people of this region. The venue of the conference is the state-of-the-art KLE Convention Centre, Jawaharlal Nehru Medical College, Belagavi. The Organizing Committee with Dr. Shailesh V. Udupudi as Organizing Chairman, Dr. Anil B. Patil as Organizing Secretary and Dr. Puneet Chamakeri as Treasurer will ensure an academic extravaganza with warm hospitality. I request you all to register in large numbers and make this a memorable event. Looking forward to meet you all at “KOACON 2023” in Belagavi.

Best Regards,
Dr. Bharath Raju G.
Secretary General, KOA.

Message from Organizing Committee

It gives us immense pleasure to invite you to the prestigious 47th Annual Conference of Karnataka Orthopaedic Association 2023 to be held in the Kunda nagari, Belagavi from February 3rd to 5th 2023 at Jawaharlal Nehru Medical College, Belagavi.

Annual Conference is such an incredible opportunity for surgeons to come together, learn, share, explore their thoughts and exchange ideas for better care of humanity. On day 1, CME is on Orthopaedic Oncology, designed to give a current review of musculoskeletal tumor pathology and principles of management . This course covers the most common and clinically relevant benign and malignant musculoskeletal tumors from diagnosis to integrated treatment and outcome.

Early diagnosis, appropriate treatment and rehabilitation have been the cornerstone in management of orthopaedic conditions, to enable individuals return to the best of their ability, has been the prime moto.

In keeping up with these demands, we proposed ಸ್ವದೇಶಿ ಆವಿಷ್ಕಾರ: ಸ್ವಾವಲಂಬಿ ಮೂಳೆಚಿಕಿತ್ಸೆ (Indigenous Invention for Atmanirbhar Orthopaedics) as the theme for this conference. There will be thought provoking didactic lectures, debates and case based discussions along with workshops. We have distinguished faculty from across the globe and nation who are masters in their fields to share their knowledge and expertise with us. We all hope that the exciting program planned at this conference will allow our Orthopaedic fraternity to jointly explore the current and future research directions and renew friendships.

We request you all to be part of this conference to learn, share and encourage your colleagues and postgraduate students to utilize this great opportunity. On behalf of Belgaum Orthopaedic Surgeons Society & Organizing Committee, we request you all to be a part of this conference to learn, share & encourage your colleagues and postgraduate students to utilize this great opportunity. We assure you all that, we shall leave no stone unturned to make this conference a memorable one.

The pleasant greenery, excellent resorts, the ancient history & the exquisite cuisine of this heaven on earth awaits for your arrival.

Dr. Shailesh V. Udupudi
