Karnataka Orthopaedic Association (KOA)

Davangere Orthopaedic Society (DOS)

JJM Medical College, Davangere.

Date :
27th July 2024

Venue :
**SSIMS & RC Auditorium
Davangere.**

Warm greetings

Pelvis and acetabular fractures are on the increasing trend due to high velocity injuries. They are challenging injuries for orthopaedic surgeon due to complex anatomy and proximity to vital structures and viscera. To delve more into this topic we are organizing a CME on 27th July 2024. We will have eminent faculty who are masters in this speciality to deliver the lectures followed by hands on workshop on bone models. This CME will be a stimulus for the young post graduates into this area and also update for Consultants.

On behalf of department of orthopaedics SSIMS & RC, JJMMC, DOS we invite you all for this academic feast.

Dr. Manjunath J

Organising Chairman
President DOS
